Auction Sale

An equal division with the public of one of the great herds of the breed . . .
sale to be held at the Fair Grounds in

LONDON, OHIO, MONDAY, OCTOBER 5, 1959

A hint of the quality in this sale. These four females, all backed by the richest imported breeding, are included in the offering. From left to right: GREENWOOD WIMPLE by Leveldale Basis out of an imported daughter of Calrossie Good News (see Lot 21); DRYNIE PAULINE 10th, an imported daughter of Millhills Mainstay purchased in the recent Drynie Dispersion (see Lot 23); GREENWOOD ACTRESS 2d by Uppermill Wanderer out of an imported daughter of Bapton Paragon (see Lot 17); and GREENWOOD FLOSSY 2d by Uppermill Wanderer out of an imported daughter of Naemoor Marshal. (See Lot 25).

IMPORTED BLOOD AT ITS BEST —

The Greenwood Herd has outgrown the farm facilities and approximately one-half of the cows, heifers, calves and herd bulls are being sold in this auction. This is as nearly an even split with the public as could possibly be arranged. Because these cattle represent such strong imported bloodlines, we are printing the catalog in its entirety on the following pages. We invite you to study these pedigrees and to attend this sale. Whether you buy or not, we feel you will benefit through a greater knowledge of the blends of blood that are resulting in Scotland's most prepotent seed stock.

THE GREENWOOD HERD REDUCTION SALE

Kair Sovereign Count is one of the great Greenwood herd bulls that will sell in this sale and whose get and service will be a feature. He is by the celebrated Calrossie Crocus Count whose sons have won numerous Perth championships and now head the greatest herds in the world. Lots 18 and 20 in this sale are examples of his calves. Others are selling with their dams in this sale and more of them may be seen at Greenwood Farm.

KAIR SOVEREIGN COUNT — With the reduction of our herd, we can spare one of our stock bulls. Because he is young, sure, and his calves show such great promise, we have elected to sell this coming 5-year-old son of Calrossie Crocus Count. His sire is one of the most famous stock bulls in Scotland. Kair Sovereign Count is an even red roan in color. His calves at Greenwood Farm provide convincing proof of his breeding ability. This is surely an opportunity that is not offered every day.

GLASTULLICH GOLD — By the famous \$16,200 Bapton Balmoral, he by the noted Cruggleton Balmoral. The dam of Bapton Balmoral is a full sister to Erimus Emeritus, the \$18,000 stock bull at Westdrums. The granddam of Glastullich Gold is a full sister to the dam of the \$30,000 Calrossie Highland Piper and is of the same family as Kirkton Baronet. This bull was purchased at the 1959 Perth sale for service at Greenwood but our herd reduction program makes it unnecessary to keep him. He is level, true in his lines, has an excellent head and is just the kind of bull one would look for if he made a trip to Scotland.

We have a purpose in showing two pictures of Kair Sovereign Count. The most recent picture, shown at the top, was taken in the hot sun and the glare on his back makes him look light roan. We show the 2-year-old picture to indicate that he is an even dark roan in color and to provide proof that he has been a top individual at each stage of his life.

GREENWOOD INSPECTOR — Short of age but wonderful promise. His dam has proved a great brood cow. She produced our herd bull Greenwood Bulldozer, a son of Beaufort Bulldozer that was good enough to win first prize at the Ohio State Fair. Remarkable thickness for a calf of his age.

We hope you can be with us . .

Although we have held sales previously wherein the productions of the Greenwood herd have been offered, this sale will be different. By no means are we going out of the Shorthorn business, but the present program calls for a reduction in numbers. Accordingly, this sale will represent an even division of the herd with the public. Good judges who have visited the farm in recent weeks have been generous in their praise of the cattle we are selling and seem to agree that these are the best that have yet gone out from Greenwood.

These acres that make up Greenwood have been good to us and, in turn, we have made every effort to be good to them. Red, White and Roan cattle have grazed the pastures for over a century, adding prestige, profits and fertility. It has been our responsibility to continually improve the herd to insure Greenwood Shorthorns a top position in the industry. This

we have done through a consistent program of culling and replacement and through frequent infusions of fresh new blood from the greatest herds in Scotland.

Because we are proud of the imported bloodlines and anxious for breeders everywhere to be familiar with them, we are printing our entire catalog in this issue of The Shorthorn World. Whether you are in the mood to buy or not, we hope you will study these pedigrees since these are the bloodlines that are making history wherever Shorthorns are known.

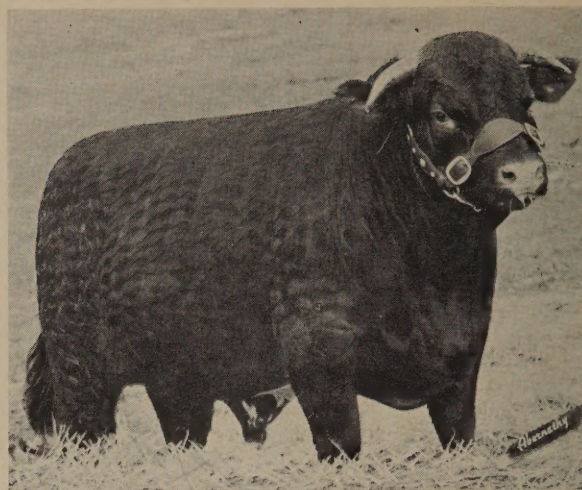

We are proud that the Ohio Shorthorn breeders have elected to hold a sale in the same pavilion immediately following the Greenwood Sale. The consignors are all friends of ours whose cattle can be highly recommended. We invite you to be with us on October 5th and feel that the cattle will speak for themselves.

GREENWOOD INDUCTION — We consider him one of the best bulls ever produced at Greenwood. A rich red in color, he is a son of Uppermill Wanderer out of a great imported cow by Beaufort Bolido. We exhibited this bull as a calf last year with much success and we look for a repeat this year at the Ohio State Fair. Just a good, rugged, short legged, strong headed fellow that can't help but do a good job for the buyer.

GREENWOOD INNKEEPER — An imported-in-dam bull that shows exceptional promise. He is by Glastullich Paragon, one of the best sons of Calrossie Hyperbole, he the sire of the champion female at Perth this year. His dam, an imported daughter of Beaufort Chevalier, will sell in this sale as Lot 15.

These beautiful heifers were purchased by critical breeders in a former Greenwood Sale. All are either imported or by imported sires and out of imported dams.

A 3-day trip you will long remember

Saturday, October 3 — Browns of Kentucky Sale of Shorthorns and Polled Shorthorns, at Ashbourne Farms, LaGrange, Kentucky.

Sunday, October 4 — Visit Kentucky and Ohio herds enroute to London, Ohio. (An easy drive).

Monday, October 5 — 12:00 noon — The Greenwood Sale at the Fair Grounds, London, Ohio.

Monday, October 5 — 3:00 p. m. — The Ohio State Shorthorn Sale at the Fair Grounds, London, Ohio.

Yes, it's a trip you will long remember. These sales are filled to the brim with good cattle, and a lot of great Shorthorn herds can be visited en route from one sale to the other. Let us figure out the trip for you. Write **Hal Longley**, Sale Manager, 16 S. Locust St., Aurora, Illinois.

A word about service dates

Service dates are not printed in this catalog since they are often misleading. Many females are already well forward in calf. All of breeding age will be served before the sale. Service dates will be posted on sale day. We insist, however, that no female of breeding age shall leave Greenwood Farm until definitely pronounced in calf.

A few of the Greenwood imported cows shown with Greenwood Bombardier, a bull that made a great breeding record. Our frequent importations from Scotland are not for speculation. Only because the herd has grown too large are we letting some of them go.

She is sired by Beaufort Chevalier, one of the good sons of Beaufort Bulldozer that is still in service in Scotland. You simply can't beat imported breeding like this.

Long ago the owners of Greenwood Farms concluded they would never sell any animal in overfitted condition. This sensible handling of the cattle, along with rich imported bloodlines, has resulted in enviable production records for all animals that have gone out from Greenwood Farms. You will find Greenwood productions in every section of North America . . . and all doing well.

This heifer was purchased in our last sale by Avenel Farm and they did not have time to get her settled prior to the dispersion of that herd. Accordingly, we brought her back to Greenwood to breed her. The service date will be announced on sale day. She will sell in this sale as the property of Avenel Farms.

UPPERMILL WANDERER — This great son of Uppermill Metaphor improved the Greenwood Herd and the breed in general. His calves have won a long list of high honors in the show ring and have always been among the tops whenever exposed for sale. One of his many excellent calves won first prize in a class of 22 great junior bull calves at the 1952 International and was a member of the first prize pair of calves at the same show. Many sons and daughters of Uppermill Wanderer will sell in this sale.

We lost this son of Uppermill Autocrat early in 1953. He did a great job in the Greenwood herd. Among his more prominent get are Greenwood Souvenir, top bull of the 1949 International Congress Sale, that sired many prize winning calves for Carl H. Stander, and his full brother, Greenwood Bombardier, that proved an equally fine sire at Greenwood Farms. His daughters are prized by all who own them.

Though now dead, we print the picture and pedigree of Imp. Kirkton Monarch because of his influence in the Greenwood herd. Sired by Kirkton Baronet and out of a dam by Naemoor Marshall, to us he represents the perfect combination of Scottish blood. We had the great misfortune to lose him at an early age but he left his imprint on the Greenwood herd. One of his daughters, Greenwood Rothes Queen, won her class at many leading fairs in 1952 and was a member of the undefeated first prize pair of calves on the entire circuit, including the 1952 International.

SCOTSDALE MEDALLION is the latest member of the herd bull staff at Greenwood. We purchased him late in 1958 at \$5,000 after he and his half brother had won the championship and reserve championship respectively of the International Congress. Sired by Calrossie Prefect, the 1952 Perth Supreme Champion, he is bred similarly to Scotsdale Jupiter, the 1956 International grand champion, and Scotsdale Lucifer, the 1958 International reserve grand champion.

Two Important Ohio Sales

October 5th will be one of the biggest days in Ohio Shorthorn history. Two important sales will be held on the same day as follows:

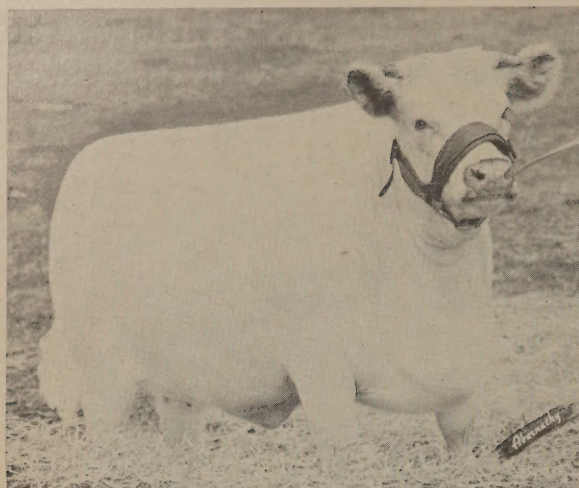

October 5 — 12:00 noon. Greenwood Farms Herd Reduction Sale. To be held at the Fair Grounds, London, Ohio. Approximately half of this famous herd will be sold. Imported breeding at its best. Offering includes tried sires, promising young herd bulls, imported cows with calves and their daughters.

October 5 — 3:00 p. m. Immediately following the Greenwood Sale and in the same pavilion, the Ohio Shorthorn Breeders' Assn. State Sale will be held. 10 bulls and 35 females. The tops from the strongest herds in the state.

The cameraman snapped this picture at a former Greenwood Sale

The Greenwood Sale will be held in one of the finest, cleanest sale pavilions in the country. This picture shows how conveniently the cattle are stalled in this pavilion.

GREENWOOD MARGARET — A very good junior yearling heifer sired by Uppermill Wanderer and out of one of our great imported daughters of Calrossie Good News. Breeding like this is hard to come by today.

The best Greenwood advertisements are in the paddocks and pastures on hundreds of farms throughout North America. They are owned by critical breeders who know and appreciate rich ancestry. These breeders have learned that the strongest imported bloodlines are offered at Greenwood. They have learned also that the owners of this great herd prefer to sell Greenwood Shorthorns in practical form rather than to run the risk of impairing breeding usefulness by pampering and overfitting. The result? Greenwood customers are satisfied customers . . . and this leads us to believe that we are doing something useful for the greatest breed on earth.

DRYDIE PAULINE 10th — She was purchased for us in the Drynie dispersal by John L. Sleigh. We never offered anything better. She is a beautiful heifer, stood the trip from Scotland early this year in fine shape, and she will certainly be admired by all who have an interest in good Shorthorns. She is well along in calf to a son of Tolquhon Bosco, the bull that Roy Watherston of Crichton Mains has used with such great success. Mark this one as one of the best.

A visit to Greenwood Farms is an important part of the education of any good cattleman. This is the oldest herd in North America . . . kept young by annual infusions of Scotland's strongest blood.

Please note — Lots 24, 25 and 26 are full sisters out of a great imported daughter of Naemoor Marshal.

Greenwood Flossy 2nd, a beautiful heifer with a perfect Calrossie pedigree. She is by Imp. Uppermill Wanderer and her imported dam is by the great Naemoor Marshal. She will sell in this dispersion as Lot 25.

GREENWOOD BUTTERCUP 2nd — A grand heifer sired by Uppermill Wanderer and out of a Corrimony Golden Sovereign dam. This heifer has plenty of size and looks like the good producing kind. Kair Buttercup Princess, her dam, has always produced good heifers that one could count on for breeding stock. Her full sister sells as Lot 31.

The daughters of Uppermill Wanderer

If some enterprising beginner bought all twelve of the daughters of Uppermill Wanderer in this sale along with one of the unrelated bulls that will be offered, he would be sitting on top of the world in a few short years. He might not have the largest herd but it would certainly be one of the best. The heifers by this great sire are remarkably uniform and excellent producers.

General Information

Time—12:00 o'clock noon, Eastern Standard Time on Monday, October 5, 1959.

Location—The Greenwood sale will be held in the new heated sale pavilion at the Madison County Fair Grounds, London, Ohio. London is 25 miles southwest of Columbus; 25 miles southeast of Springfield; and 45 miles east of Dayton. It is on Federal Highway 42 which is the main highway from Cincinnati to Cleveland. It is also on State Highway 38. Federal Highway 40 is only four miles north of London.

Transportation—London may be reached easily by automobile or bus on paved roads from every direction. It is on the main line of the New York Central Railroad running from Cincinnati to Columbus and Cleveland. It is also on the main line of the Pennsylvania Railroad running from St. Louis to Columbus and Pittsburgh. The nearby cities of Columbus and Dayton are on main airlines and guests who travel by air will be met at these points if advance notice is provided.

Accommodations—The Shively and London Hotels are located in London, Ohio. There are also many excellent tourist camps and motels in the immediate area. We will be glad to arrange hotel accommodations if you will let us know when you will arrive and the number in your party.

Lunch—A lunch will be served at the sale pavilion. Come early and allow yourself plenty of time for an inspection of the cattle. The cattle will be in the sale pavilion at London on Sunday, October 4th and we urge you to come a day early for a longer inspection.

Auctioneer—C. D. Swaffar. **Ring Assistant**—Ned Place.

Bids—Those wishing to buy at this sale but who find it is inconvenient to attend may send buying orders to Hal Longley, the Sale Manager, 16 S. Locust St., Aurora, Illinois; Horace W. Walker, Eastern representative of The Shorthorn World, 3906 E. 71st St., Indianapolis 20, Ind.; Ed Huff, Eastern fieldman of the Livestock Breeder-Journal, Culpeper, Virginia; or James Browitt, Eastern fieldman, American Shorthorn Ass'n., 212 Koster St., Lexington, Kentucky.

Terms and Conditions

Guarantee—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but cattle will be at buyers' risk as soon as bid off. Every precaution will be taken to see that animals arrive in sound and healthy condition. The Greenwood Herd is Bangs Certified and Federally Accredited for Tuberculosis. Calihood vaccination for Bangs has been practiced regularly for many years.

Terms—The terms of this sale are cash unless arrangements are made in advance. All settlements must be made with the clerk of the sale immediately at the conclusion of the auction and before the animals are removed.

Health—Every possible precaution is used to guard the health of Greenwood Shorthorns. All younger females in this sale have been calihood vaccinated and the health certificates provided on sale day will be evidence of a clean health record. A 60-day Tuberculin retest will be allowed and those who buy in this sale may be sure that the cattle have complied with the rigid health requirements of the State of Ohio. Health certificates will be furnished with each lot sold.

Announcements on Sale Day—Although all information contained in this catalog is correct to the best of our knowledge at the time of printing, we must reserve the right to make announcements of correction. Please understand that announcements made from the auction block will take precedence over matter printed in this catalog.

The above terms and guarantee constitute a contract between David S. Graham, the seller, and the buyer of each lot. Neither the Sale Manager, the persons delegated as clerks, nor any other person has authority to alter the terms of that contract nor do any of them assume any liability, legal or otherwise.

Liability—While every effort will be made to protect the safety and comfort of those attending, all who attend this cattle sale do so at their own risk. The owner, sale manager, clerks, auctioneers cannot be responsible for accidents that may occur. The sale manager was retained for specific tasks, promotional and clerical, and has nothing to do with the condition of the premises, handling of the cattle, fulfillment of guarantees, or possible errors in records or health papers. Where footnotes appear in the catalog they were furnished by owner or from information furnished by owner.

Greenwood Bombardier and a few of the great imported cows at Greenwood Farms. Want to start right or improve a herd already started? Here is your opportunity! One-half of the entire herd will sell.

THE GREENWOOD HERD REDUCTION SALE

Fair Grounds, London, Ohio, Monday, October 5, 1959

This is the final page of the Greenwood Sale catalog, published in its entirety in the breed journal so that all may observe the rich bloodlines represented. If you have studied the 40 pedigrees carefully, you have been impressed . . . and when you see the cattle it will be apparent that the character, quality, bone and substance all represent a reflection of the richest possible breeding.

The best advertisements for Greenwood Shorthorns have not appeared in print. They are on scores of farms throughout North America, always working improvement, always returning handsome profits for their owners. Edellyn produced 14 calves from one Greenwood cow, each of which sold for more money than Edellyn paid for the dam. The tops of the 1958 Hi Ho sale were out of Greenwood females. The dam of the top female at \$1,775 cost Hi Ho \$270. Louada Farms bought the top-selling female in the 1955 Greenwood Sale and her first calf was reserve junior champion bull at the 1957 International, later selling to New Zealand at a long price. If you were to make a trip to Scotland, you couldn't buy better Shorthorns than will be offered in this sale. These are the best cattle that have yet been offered from Greenwood and among the best that are to be offered anywhere this year.
